**COMMENTS ON STATEMENT OF REASONS
FOR ALLOWANCE**

Commissioner for Patents

Dear Sir:

Applicant has received a Notice of Allowance which is dated October 20, 2005. Pages 2 and 3 of a Notice of Allowability which is attached thereto contain an Examiner's statement of reasons for allowance. Applicant wishes to note several apparent errors which appear on page 2 thereof which is entitled "DETAILED ACTION".

The first apparent error occurs in the sixth line from the bottom of page 2. That line refers to the closest prior art as "Hosokawa et al. (U.S. Patent 6,789,111)". However, the correct number of the Hosokawa et al. patent is U.S. Patent 6,290,327.

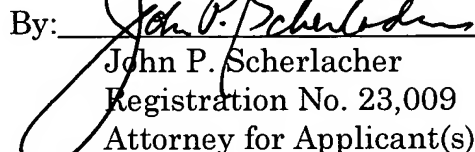

I hereby certify that this correspondence is being deposited with the United States Postal Service with sufficient postage as first class mail in an envelope addressed to:

The second apparent error occurs in the next to the last line of page 2 where the statement is made "Brockway fails to disclose". Brockway is a patentee of U.S. Patent 6,789,111 however, that patent does not appear relevant to the present application.

If there are any fees due in connection with the filing of this response, please charge the fees to our Deposit Account No. 50-1314.

Respectfully submitted,
HOGAN & HARTSON L.L.P.
